

DVA

Defence Vetting Agency

**NOT ALL THREATS
ARE AS OBVIOUS AS THIS
OR AS EASY TO SPOT
HEAD OF OPERATIONS: C.£50,000
SENIOR MANAGER-RESEARCH
AND ASSESSMENT: C.£40,000**

The York based Defence Vetting Agency is a major player in the security systems that protect the national interest. Vetting plays a vital role by ensuring staff and contractors are suitable to hold security clearance that allows them access to government installations and sensitive information. Of 140,000 vets each year, imagine if we made just one mistake.
