

Because we can't put 85,000 people on the board. Chief People Officer c.£160k

People issues have never had a higher profile at HM Revenue & Customs - this position has been created to ensure the presence of our employees is felt at board level. You will inspire 2000 HR and HR shared services staff to deliver business solutions - supporting the re-engineering of key processes that empower our workforce and engage and develop 85,000 employees working for 50 million customers. Only an HR Director with your record of inspirational leadership and strategic change delivery can expect to meet the challenge. Visit www.cpo4hmrc.co.uk
